**VA Placement Referrals  
November 13, 2007  
Number 119**

## **SUMMARY OF UPDATES**

When the Veteran's Administration refers a client to VR for placement services it is not necessary for the client to complete the *Discover the Job that Works for You* booklet. The client is referred with vocational planning completed and an identified job goal; therefore, only the Information Sheet for Booklet Exceptions is needed

## **VRIS POSTING**

The Booklet Exceptions for the *Discover the Job that Works for You* booklet has been revised to reflect this exception.
